Funding Eligibility - essential reading

Funding Eligibility - Please Read Before Applying

Thank you for your interest in applying for funding. Before starting your application, please ensure your organisation meets the eligibility criteria outlined below.

To be eligible, your organisation must be **based in, or provide services that support people within, the Rangitikei District** ([Rangitikei District Council map](#)).

Your organisation must also be **one of the following**:

- An organisation registered with Charities Services ([Charities Services](#)), or
- A registered Incorporated Society with the Companies Office ([Companies Office](#)), or
- An early childhood centre or school registered with the Ministry of Education ([Ministry of Education Registered Schools](#)).

Grant Categories

Funding applications are considered under **one** of the following categories:

1. **General Grants**
2. **Impact Grants**
3. **Community Development Grants**

All funding amounts are **GST exclusive**. Please ensure the amount you request aligns with the funding range for your selected category, as applications outside these ranges cannot be considered.

If your application relates specifically to a **Rural Hall**, please refer instead to the Rural Halls application process: [2026 Rangitikei Region Rural Hall Maintenance Grant Round](#)

Additional Requirements

- Applications for **outdoor projects or events** must include quotes. These should clearly outline any relevant terms and conditions, including provisions for cancellation due to weather or environmental events.

Grant Category Details

1. **General Grants** Available for equipment purchases or replacements, operating costs, and non-operating expenses that support the Rangitikei region. Funding range: **\$5,000 - \$20,000 (GST exclusive)**
2. **Impact Grants** Available for salaries, projects, or programmes that support the Rangitikei region. Funding range: **\$5,000 - \$50,000 (GST exclusive)**
3. **Community Development Grants** Available for capital projects that deliver new, or expand or preserve existing, community or environmental assets in the Rangitikei region. Funding range: **\$50,000 - \$300,000**

Applications We Are Unable to Consider

To ensure fairness and effective use of funding, please note that we are unable to consider applications that:

Department of Internal Affairs – Charities Services.
You are required to attach the same completed financial statements that were submitted with your most recent Charities Services filing.

Summary of your organisation's income and expenditure

In the questions below please provide financial details using your most recent financial statement filed. The Net Surplus / Deficit will be calculated for you once you have entered your Total Income and Total Expenditure figures.

Total Income *

Must be a whole number (no decimal place).
EG: donations / gifts received, grants received, fundraising received from activities, fees / charges received, investment income received, sponsor / partnership funds received, bequests received

Total Expenditure *

Must be a whole number (no decimal place).
EG: staff costs paid, programme costs paid, admin costs paid, property / facility costs paid, learning resources paid for, fundraising costs incurred, insurance / compliance costs

Net Surplus/Deficit

This number/amount is calculated.
Your net surplus or deficit is calculated by subtracting total expenditure from total income for the financial year: If total income is greater than total expenditure, the result will be a net surplus. If total expenditure is greater than total income, the result will be a net deficit.

Assets

Please provide financial details using your most recent financial statement. Total assets will be calculated automatically once current and non-current assets have been entered.

Current Assets *

Must be a whole dollar amount (no cents).
E.g. typically include items such as cash, bank balances, and accounts receivable.

Non-Current Assets *

Must be a whole dollar amount (no cents).
E.g. may include property, equipment, or long-term investments.

Total Assets

This number/amount is calculated.
Once both figures are entered, the system will automatically calculate the total for you.

Liabilities

For the questions below, please provide financial details based on your most recent filed financial statement.

Once you have entered your **current liabilities** and **non-current liabilities**, the **total liabilities** figure will be calculated automatically for you.

Current Liabilities *

Must be a whole number (no decimal place).

May include: accounts payable / creditors, accrued expenses, tax payable, deferred income, employee liabilities, short term loans / short term overdrafts

Non-Current Liabilities *

Must be a whole number (no decimal place).

typically include: long term loans / long term mortgages, lease liabilities, long term staff entitlements, deferred grant income, other long term payables

Total Liabilities

This number/amount is calculated.

Current liabilities are amounts owed that are due within the next 12 months (such as accounts payable or short-term loans). Non-current liabilities are amounts owed that are due after 12 months (such as long-term loans). Once both figures are entered, the total will be calculated automatically.

Working Capital

Working capital - this figure is automatically calculated based on the current assets and current liabilities you have entered above.

This number/amount is calculated.

A positive figure indicates that your organisation has sufficient short-term resources to meet its short-term obligations.

What external funding sources has your organisation sought? What external funding has your organisation received?

Please identify your organisation's main sources of external funding expected over the next 12 months (for example, grants, government contracts, or foundation income).

Attach a file:

Please upload a list of the amount and name of the organisation that the funding was requested from

Please list the main sources of external funding your organisation has received in the past 12 months (for example, grants, government contracts, or foundation income).
